

Beirut 31/3/2025

Dear Dina,

Following our Phone conversation, we worked on what is needed in order to prepare a consultation room for a pediatric clinic.

Hereafter in the table what we believe is a must to have in order to equip a fully functional Pediatric Clinic:

Title	Qty.	Est. Cost
Examination Couch	1	150
Stainless Steel Trolley 2 drawers	2	250
Mounted Step	1	50
Digital Baby Scale	1	100
Detecto Like Scale	1	250
Swivel Stool	1	50
Eye Chart	1	100
Office Desk	1	300
Chair	1	150
Waiting bench 3places	2	200
Stethoscope	2	200
Otoscope	2	100
Thermometer	2	150
Tensiometer	2	100
Examintion Bed Rolls	10	6
Syringes (100pcs)	10	6
Gauze 4" (100pcs)	10	6
Alcohol Prep Pads (100pcs)	10	1.5
White Medical Tape (6rolls)	5	4.5
Ped. Band Aid (100pcs)	10	2.5
Gloves Nitrile (100pcs)	20	3
Tongue Depressor (100pcs)	10	1
Elastic Bandages (10cm)	100	0.5
Crepe Bandages (10cm)	100	0.7
Plastic Sharp Containers	50	2.5
Plastic Kidney Tray	10	1
Plastic Washing Bottle	10	2
Disinfectant Hand	10	5
Medical Alcohol	10	2
Playing/waiting room (montesory like)	1	1000
Total		4807.5

Kindly note that the list is not exhaustive, and prices are estimates but overall you could equip the clinic with good quality equipment for a budget of 5,000USD
